Developing leaders of tomorrow one child at a time

As May comes to a close, so does our second session here at TreSports. The students were able to stay focused, work hard and we were able to enjoy a great graduation ceremony celebrating the success of each student. Not only were we able to celebrate the students, but their families as well for their active roles in ensuring their children are utilizing the tools they are provided with during the program. This session so far this year was most impressive as we had seventeen (17) graduates. During our final week the kids were able to enjoy the Xcite Mobile Gaming truck, a cookout along with games and dancing as well as having one of the local ice cream trucks come for an afternoon. Now that we have completed our second session we are preparing for the upcoming summer session Camp D.A.S.H.. If you are looking for an affordable summer camp that offers a variety of activities including an enrichment segment, you do not have to look any further. Camp D.A.S.H. offers field trips, sporting activities, college campus visits and lectures. Those are only a few things offered over the summer session. Please visit our website for more information or contact one of our staff. We look forward to hearing from you.

Parent Testimonials

"I want to say thank you for everything you and your staff at TreSports did for my son Cedric. He has grown from the experience and has made significant improvements in his behavior. Thank you again for all your work in helping him become a better young man."

~Deborah Woolard

"TreSports has helped Chassidy with the transition of us moving down here from New Jersey. The program has helped her with improving her grades and also has helped with her being more focused."

~Veronica Clark
