A Message for the President

TreSports is a non-profit (501c3) organization dedicated to building character, confidence, and sportsmanship in children. In 2002 I began TreSports to address a need for a program that focused on the total development of the student-athlete. To this end, the foundation of our organization was designed from a holistic

athletic excellence through competitive sports.

TreSports has created a blueprint for youth to reach their goals through academic programs, mentorship and athletics. Today, we assist approximately 350 youth between the ages of 5 -18 years old with academic supports and player development in football, basketball, cheerleading and other related programs.

TreSports is thriving with approximately 30 students between the ages of 11-16 years old who are currently enrolled in programs. The students attend 15 Charlotte Mecklenburg Middle & High Schools. Our philosophy is to guide students to make positive and productive decisions through best practice and evidenced based models that foster self- awareness, self-confidence and character development that encourages improved school participation, attendance and academic performance.

TreSports Annual Fund

This TreSports Newsletter is a digital online publication that endeavors to keep you up to date with the dynamic programs offered through the organization. Also, it is a great way for you to get engaged, get involved and share your gift. As you reflect on the programs that resonate within your heart we humbly ask that you consider becoming a volunteer, a tutor, a mentor or investor. As you are inspired to do so, we are thankful for your continued support of helping us fulfill the vision and mission of TreSports.
